Ready, Set, Jet!

Private Jet Promotion

Travel like a celebrity and treat yourself to the luxury of a private jet for you and up to six (6) guests. This promotion is IN ADDITION to TouchTone's current Agent SPIFFs.

From now until the end of the year, TouchTone agents have the opportunity to earn private jet travel hours. There is no cap on how many hours an agent can accrue. Hours can be used to travel to the destination(s) of your choice within the Continental United States, Canada, Mexico, and the Caribbean. **NO BLACKOUT DATES!**

- Qualifying period: July 1, 2023 – March 29, 2024.
- For every \$10,000 in new toll-free business (revenue)*, agent will earn one (1) hour private jet travel credit.
- Standard retail pricing must be used. Any non-standard/special pricing will not qualify for this promotion unless specifically stated in writing from TouchTone.
- Flight credits will be paid in addition to current SPIFFs/bonuses. General Bonus and SPIFF Terms apply.
- Credits are paid one time per customer to one specific agent.
- *New revenue will be based on the third month's billing statement.
- 1-hour jet credit is based on a Light Jet, which typically can accommodate up to seven (7) passengers. An agent can choose to 'upgrade' the jet category/passenger count and pay the difference out of pocket.
- Travel credits can be redeemed at most executive/private airports. Departure airport must be within the Continental United States. Subject to airline/airport/plane availability.
- Credits must be used within 24 months.
- Additional terms apply.
